Subject: Invitation to the Russian Delegates' Farewell Party on 8/1

Dear Mr. Brandon,

The Center for Citizen Initiatives (CCI) and the 10 Investment Bankers of Vitus would like to extend to you our deepest gratitude for your participation in the Investment Banking delegation. As a token of our appreciation, we would like to courteously invite you to attend the delegates' Farewell Reception, taking place on Wednesday, August 1st at 7pm at the Franciscan Crab Restaurant. The restaurant is located at Pier 43 1/2 at Fisherman's Wharf; please visit the restaurant's website below for driving directions www.franciscanrabrestaurant.com.

The delegates and CCI staff look forward to seeing you at the Farewell Reception. Please RSVP by July 30th by replying to this email, if you will be joining us.

P.S. For those presenters who have prepared or handed out any materials to the delegates (and have not yet had a chance to email the materials to us), we would like to ask you to please email those to us, as the delegates will be receiving a CD with all PowerPoints and supplementary materials at the Farewell Reception along with their certificates of program completion.

Sincerely,
Olga Tretyakova and Katie Roman
