That is great! I've got you scheduled and very much interested in hearing your presentation. Do you need directions or are there any needs that you have for the presentation? As I mentioned, we are a very small group so operate in a very informal way. You will be our guest for lunch and we will first do a few business things. You will then be introduced about 1 p.m. We are always finished no later than 1:30p.m. and do appreciate some time for questions either as part of the presentation or at the conclusion to the presentation. Just so you know, I will be on a trip from July 10th to July 31st to the East coast. But I can be reached by my cell phone, 650 777 7777 while on the trip. So please give me a call if something comes up the week or two before. I may not have access to my e-mail daily on my trip so a phone call would be best.

Again, thank you for agreeing to be with us on August 1st.
