Subject: FW: May 8th meeting Roundup!!

The newsletter was written by Howard and it is below. Thank you for everything.

Ladies And Gentlemen of Kiwanis,

Today, we heard from James Brandon, a financial investment expert, who told us the way to make money is to diversify our portfolios by thinking globally, not just different types of individual stocks. He pointed us in the direction of Warren Buffet's Berkshire Hathaway Company which has investments all over the world. It was very interesting.

We were joined today by members of the Palo Alto Kiwanis Club. Palo Alto Kiwanian Jim Stinger was the winner of our weekly raffle, so we know he will be back to join us in the future.

Happy Birthday to Sue Markuson (This coming Friday May 11th).

Congratulations to Laura and Doug! (Can't wait to see the pictures from James.)

Many thanks to Ken Zib, Douglas, Greg, Buzz, and Leslie for helping me lead today's meeting in Melinda's absence. FEEL BETTER MARCUS!

Don't forget to sign up for Special Games and Pet Parade (especially if you are a community service member.) We miss you, and want to see more of you.

Have a great Week!
